RIVERVIEW HIGH SCHOOL ...A field...

Seven years ago Riverview High School was little more than a community's dream and the sketches of Paul Rudolph, the architect. This dream materialized into one of today's leading high schools.

First there was a field, and then there were buildings. But Riverview did not come to life until the fall of 1958 when these buildings became a school. The students and teachers created character and personality for our high school. In the past six years Riverview has undergone changes and improvements.

This year, 1963-1964, as the Senior Class graduates, some of Riverview's first students will be leaving. The Class of 1964 has the unique distinction of including the students who helped Riverview to begin as seventh graders in 1958. Truly, 1964 marks the end of the beginning.

The 1964 TARTAN is therefore dedicated to the honor of Riverview High School and the many people who helped in its beginning.

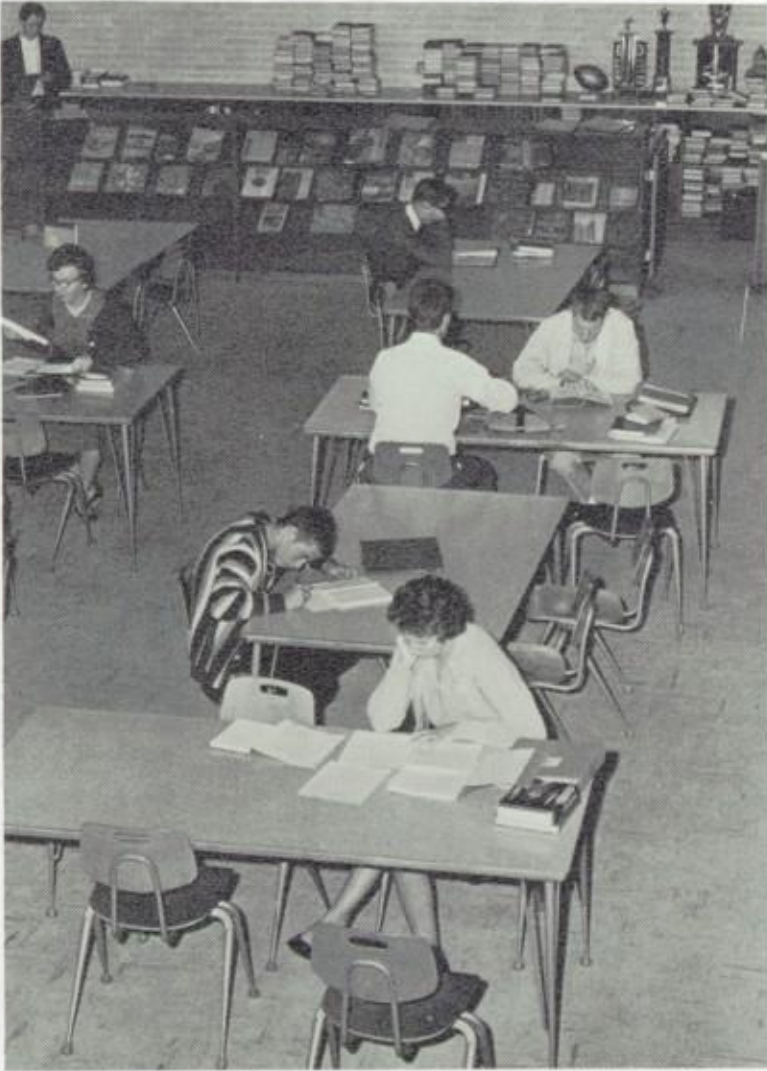

A Building.....A School of People . . .

NOVEMBER 22, 1963- a day we shall never forget. The tragic assassination of President John F. Kennedy shook the world. But his death marked the continuation of striving for ideals - the ideals of a democracy. It also marked a new beginning for Lyndon B. Johnson who, as President of the United States, asked the help of God and the people as he assumed the leadership of the nation and the free world.

People Striving To Uphold Ideals ...

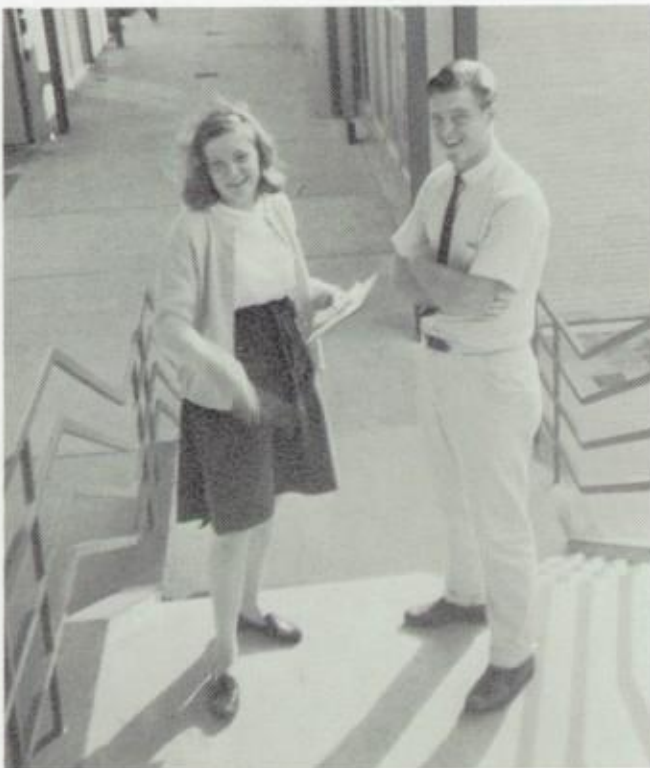

The regular use of our fine library helps everyone with studies.

A good mind is of no value unless the body housing it is physically fit.

To Achieve Academic Excellence...

Ram Page reporter, Toni Ross gathers news around the school.

Good lunches furnish us with the necessary food for thought.

..To Maintain Sportsmanship And Spirit...

Many things help to create spirit. Our Kiltie band plays a major role.

Loyal Riverview fans are always on hand to cheer the Mighty Rams on to victory.

The pre-game pep rallies and the cheering at all the games is led by our enthusiastic cheerleaders.

The true test of sportsmanship and spirit takes place on the playing field.

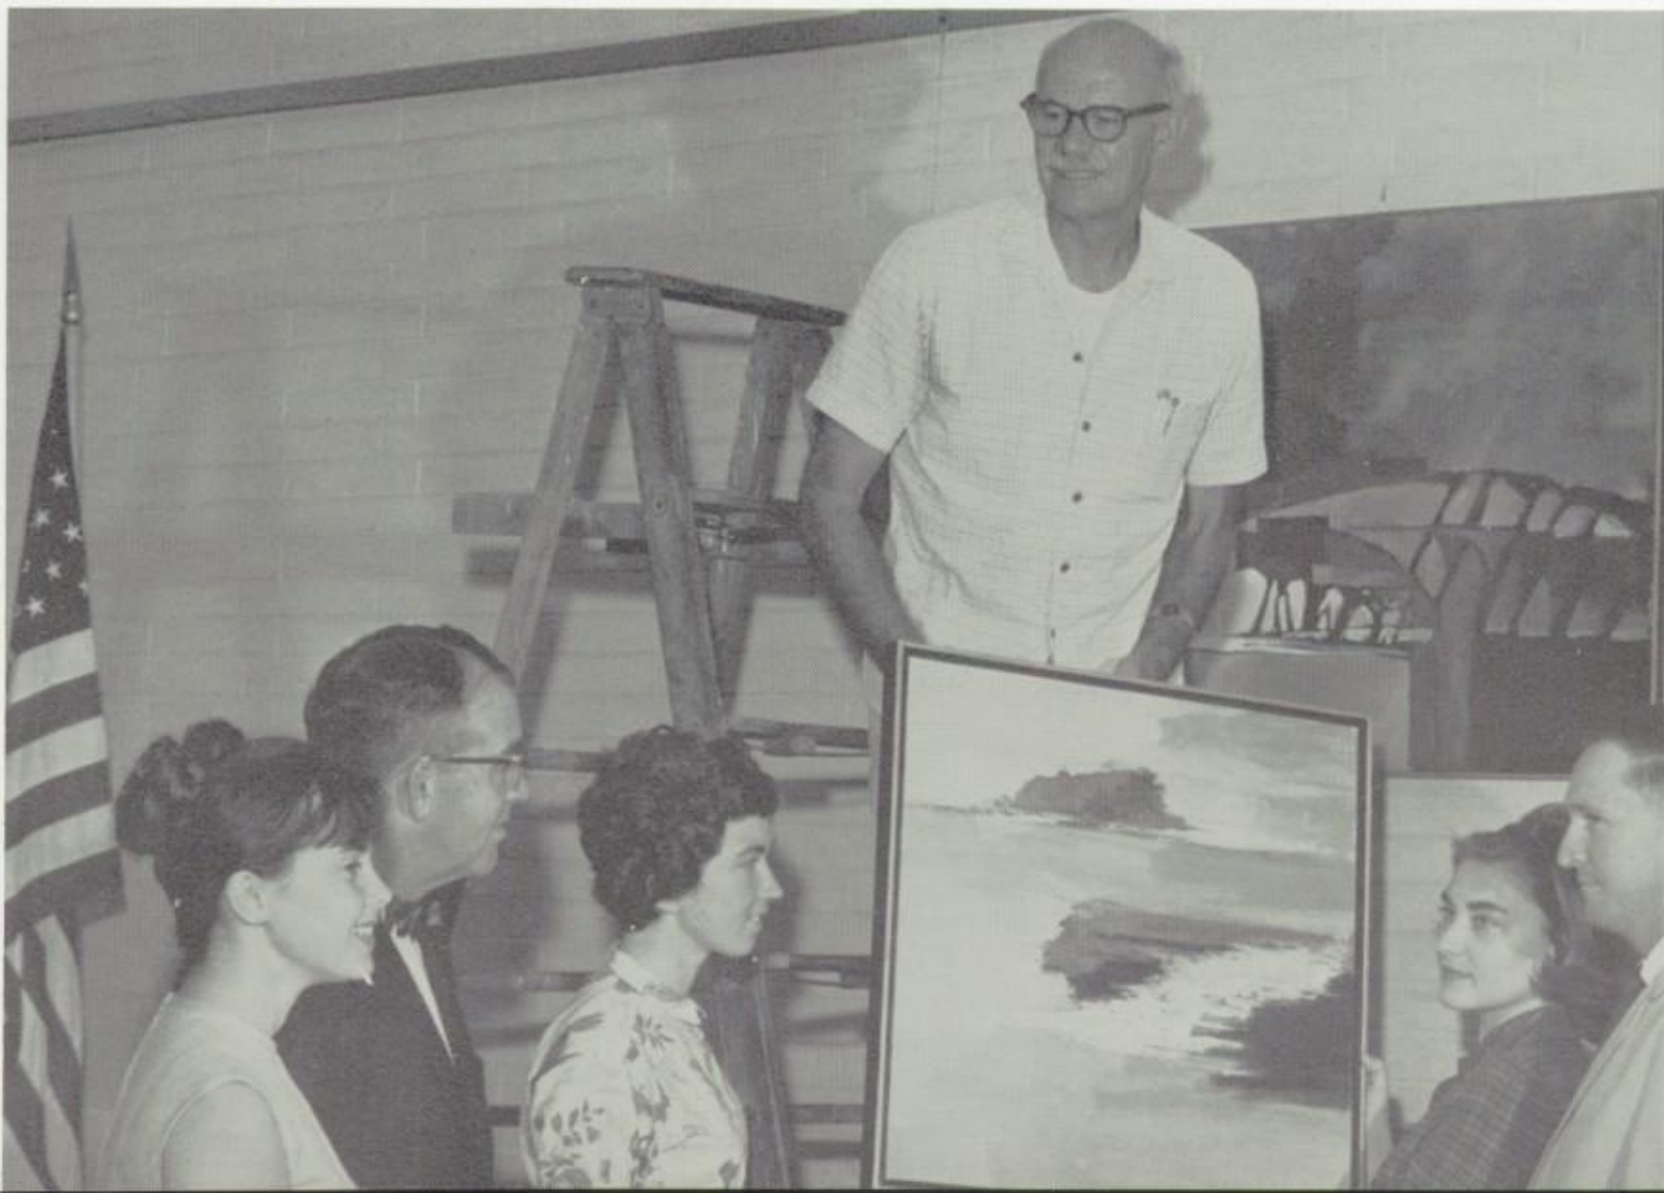

Kathy Owen is busy selling tickets for one of Riverview's plays.

The lucky ticket holders were treated to the fine performance of "Blithe Spirit."

...And To Become Responsible Citizens.

The monthly art shows in our library have given the students an opportunity to meet the Sarasota artists and observe their works.

RIVERVIEW FIGHT SONG

The mighty Rams are on the rampage,
Charging down the field,
Our foes had best beware,
Opponents best take care,
For the Rams will make you yield!
With horns of flint and steel
And hearts of gold,
A fight to win the game we'll wage,
The big maroon and white are going to
win tonight
And have a Ram Rampage.

Sophomores became quickly accustomed to life at Riverview. They found that the midnight oil burned during the school week, but weekends were reserved for games, dances, and anything BUT study. The first major endeavor of the Class of '66 was the Sadie Hawkins Dance held in January. The Sophomores gained experience in giving the dance and applied the profits toward next year's Prom.

During the year of 1962-1963, Mr. Paul McClure attended Yale University under the John Hay Fellowship award. The fellowship included an expense paid course of study in the humanities. Mr. McClure was the first teacher in this area to receive the award; the second in Florida since 1959.

Physics teacher, Miss Barbara Reed, received a scholarship from the Atomic Energy Commission for study in radiation during the summer of 1963 at the University of New Mexico, enabling radiation to be added to the courses here at Riverview.

Mrs. Ella Hoffman received the John Hay Fellowship for a Summer Institute in Humanities last year. She has also been awarded the Silver Honor Key by the Florida Scholastic Press Association.

Mrs. Janet Zerbe has spent the school year at the University of California after becoming the second recipient of the John Hay Fellowship at Riverview and the third in the state.

Mrs. Burdine briefs Mr. Thomas on her native land, since he is to serve as a science consultant in India during the summer of 1964. He has also been awarded a grant by the National Science Foundation for a year of study at the University of Texas.

Miss Audrey Heacock received a National Defense Education Act scholarship for eight weeks of study in German at the University of Wisconsin during the summer of 1963.

Carol Letson, accompanied by her two German sisters enjoy the climate of Germany.

"As a participant this past summer in the Youth for Understanding Summer Abroad Program, I spent two wonderful months in Bramsche, Germany. There I lived with a family of three and became a "German" for the summer. For our family vacation we traveled to the Black Forest for three weeks. The countries I visited included Ireland, Holland, Germany, Austria, and Switzerland. This experience of seeing and visiting foreign countries broadened my outlook on life and helped prepare me for a future where international understanding will play an important role."

CAROL LETSON

This Rhine River scene is now a picturesque memory for Carol.

AMERICANS ABROAD

Gordon poses with his Spanish brother and sister, Carlos, and Maribel.

"This last summer I was fortunate enough to go to Spain with the Youth for Understanding Program. I lived with a Spanish family in Madrid who spoke no English. We spent an interesting two months exchanging customs and ideas. On trips from Madrid, I visited Granada, Cordova, Sevilla and Toledo. At the end of the summer I took a suitcase full of souvenirs and a heart full of memories back to America."

GORDON HERRALD

A visit to the beautiful city of Toledo was one of the highlights of Gordon's trip.

Gudie and Eve Prout try out some new records.

A new recipe looks interesting to Gudie.

The year 1963 - 1964 brought Riverview four outstanding students from abroad.

Gudrun Bergstrom from Saltsjobaden, Sweden, made her home during the year with Mr. and Mrs. George Prout. An active member of many activities, Gudie gave an excellent performance in the first play "Blithe Spirit."

FOREIGN EXCHANGE STUDENTS

Gudrun demonstrates the celebration of Santa Lucia, Swedish Christmas custom.

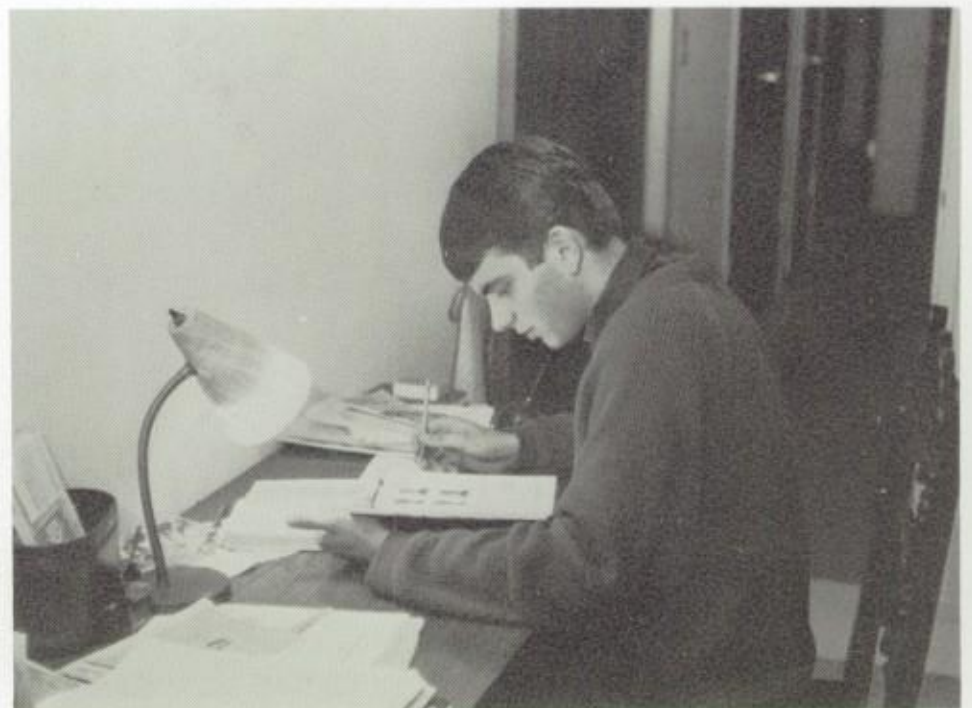

Gunnar tries a little weight lifting.

Also from Sweden comes Gunnar Back. Soon accustomed to Riverview, Gunnar found it very different from his school of 500 students in Sweden.

The A. E. Herralds are Gunnar's hosts for the school year.

Homework awaits Gunnar after a day at school.

Mr. Herrald and Gunnar study a map of Sweden.

Jorg is typing a term paper, no doubt.

Rheydt, Germany is the home of Jorg Baro. Better known as "York," he has become an important part of the school. Throughout the year, Jorg gained a better understanding of our ideas and customs. The L. A. Hollises are Jorg's hosts.

Jorg and Dave Hollis play some of their favorites.

York works out in the back yard to keep physically fit.

Linda Sultzman looks on as Jackie studies her Russian.

Ireland's contribution to the exchange program this year is Jacqueline Fitzgibbon. Her friendly smile has won her many friends at Riverview. A talented oboe player, Jackie's ambition is to be a musician. She is the guest of the Karl Johnsons.

It looks as though Jackie is raiding the refrigerator.

Jackie continues to practice, even though away from home.

STUDENT CONGRESS...RIVERVIEW'S

In order to fulfill its purpose of helping students to better understand government, this year's Student Congress is operating under a revised constitution. The Interclub Council has been dissolved and its duties assumed by the Senate.

Riverview's Student Congress is past president of District IV and at press time was planning to run for office in the State Student Council.

HOMECOMING 1963

Sponsored by the Senior Class, Homecoming 1963 was a week filled with fun and excitement. The festivities began Wednesday evening with Skit Night and the bonfire, followed by the Derby Dance. On Thanksgiving morning, members of the football team, students, their families, and the faculty attended the Annual Ram's Club Breakfast. A motorcade from the parking lot to the game created even more enthusiasm for Riverview fans. An excited crowd of students cheered the Mighty Rams on to their first football victory over Sarasota High School. This won for them the White Sands Conference Championship. Queen Debbie Moses and her court—Lynn Pitts, Sue Howard, Cindy Long, Judy Lanterman, Gudrun Bergstrom Carol Canfield, and Mikie Morgenroth—were presented at the Homecoming Dance, Friday evening as a fitting climax to an exciting week.

A talented performance by the Dance Club won the first prize on Skit Night.

The Mighty Rams - White Sands,

The Rams got off to a sluggish start in the '63 season. The opening game with conference foe Palmetto ended in a 7-7 tie as the Rams made their first bid for the White Sands Conference crown. The Rams dropped their next two outings to Largo and highly-ranked Dixie Hollins. The team was plagued with ties as their game with Jesuit ended 6-6, and the following week they pulled out a 20-20, come-from-behind thriller, against Fort Myers. Now Dick Pugh's boys started to roll as they defeated a hard-hitting Venice squad, 20-19, and their second one-point victory, 7-6, over Southeast put the charging Rams into first place in the conference. The Pinellas County jinx held true as Riverview was nosed by Dunedin 13-7. After a cancellation of the Naples' game, the Rams turned to their last and most important clash with Sarasota. The Turkey Bowl was a sell-out as 5,000 fans watched the Mighty Rams trample the hapless Sailors 7-0. This clinched the White Sands Conference for the Rams and brought to a finish a season mark of 3-3-3. We wish to congratulate the Rams and their coaches on a fine season.

Jr. Varsity Has Winning Season

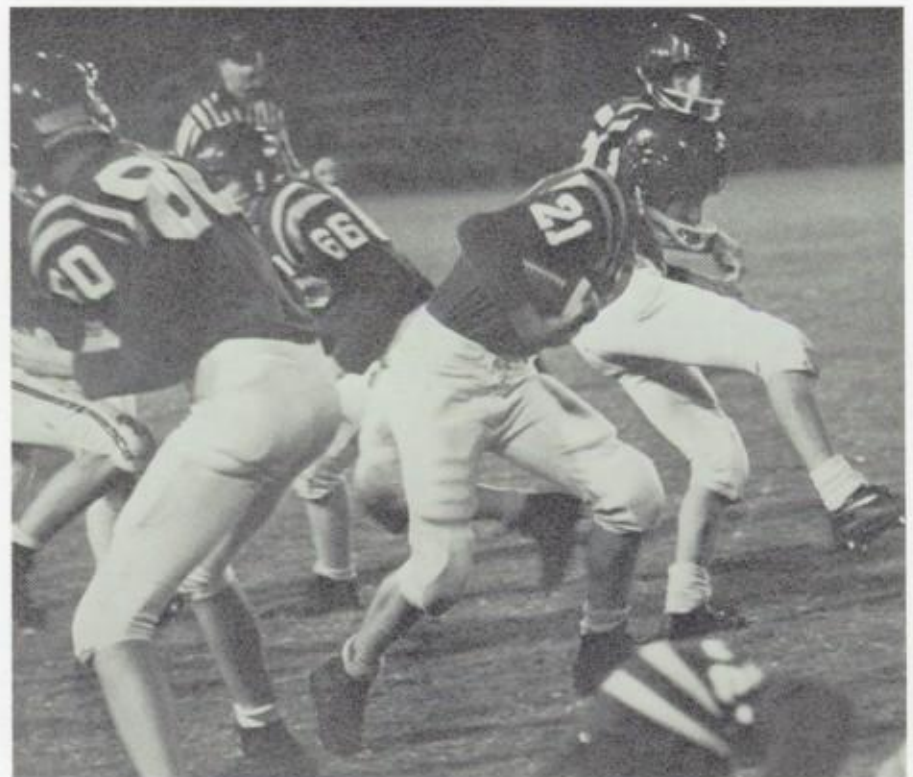

Picture block springs Jaffe loose for a touchdown.

The Junior Varsity started out their season with one of their best single performances of the year. Although they were edged 7-0, they sent the junior Hurricanes of Manatee home with a lot to remember. An official inter-squad game added the necessary playing experience and the Junior Varsity team defeated their next two opponents: Palmetto and Charlotte. After a defeat at the hands of the tough Southeast squad, the Baby Rams squeezed by the Green Waves of Ft. Myers. The completion of their 1963 season with a victory over Sarasota bodes well for the future of the mighty Rams.

A determined run by Troyer . . . we hope he's going the right way.

Coach Al Brown was a great help to this year's football team as the team trainer. Here he works on Pete McElmurray after a game.

Typical Ram "second effort" shows through as Stiles makes "circus catch."

Working with a team hit hard by graduation and facing a rugged schedule, Coach Al Brown had his work cut out for him. The team showed great individual potential, but found difficulty working together at first. The fans watched them lose their first two openers to Largo and state-ranked St. Pete, and then they captured their first win inching past Charlotte by one point. With two more losses, one to Dunedin and the other to Fort Myers, things looked dim as the team went into their game with rival Sarasota. Suddenly, the Mighty Rams came alive and toppled the Sailors, 43-30. At the annual Holiday Tournament, the team charged past the Palmetto Tigers and then went on to again defeat Sarasota for the title. Getting back into regular season play, the cagers never slowed down as they trampled Jefferson and Southeast. In the next game, one of the most exciting for Riverview fans, the Rams again toppled the Sailors. Venice and K.M.I. both fell to the Rams in conference battles, placing them first in the W.S.C. and gaining the eighth straight victory, an accomplishment never before equaled at R.H.S. The following week saw the team drop a close decision to Palmetto and lose to Fort Myers, but they bounced back and downed North Fort Myers, and K.M.I. by wide margins. On a weekend road trip they faced fifth-ranked Cocoa Beach High and Daytona Seabreeze which was also state-ranked. They couldn't come up with a victory, but held Cocoa to 51 points and scared the "daylights" out of Seabreeze with a 63 point output and one-point loss. A heated battle with Palmetto found us on the losing end by one point again, and Charlotte couldn't miss as they outlasted the Rams by three baskets. Closing out the regular season, the cagers, defeated Southeast to bring their over-all record to 12-10 and their conference total to 8-2. Hundreds of fans packed the Manatee Junior College gym to see the playoff game against Palmetto. There, the Mighty Rams executed amazing ball control and grabbed another White Sands Conference crown. The Tartan congratulates the 1963-1964 basketball team for an exciting and successful season.

Ram's Fetzek and Gilliland fight for possession of the ball as the Hansen brothers look on.

1964-THE END OF THE BEGINNING

The Class of '64 began their years under the leadership of Tom Witham, President, Debbie Moses, Vice President, Richie Haralson, Treasurer, and Sue Scott and Susie Elliott secretaries.

D. Moses, K. Boterf, S. Zeigler, P. Troutman, S. Hill, K. Jaffe, N. Pynn, J. Babcock, R. Haralson, and E. Greeno displayed leadership in their beginning years at R.H.S. by serving as club and organization officers.

Over one hundred of the Seniors who graduate on June 5, 1964 will be a unique group in the history of Riverview. Each began in the seventh grade when the school was a combination Junior and Senior High School. They have seen Riverview grow in spirit, population, success, recognition, and opportunities. Various members have been a part of a winning team, a superior-rated music group, or have achieved outstanding academic heights. Each one has helped build Riverview as it is known today; and their graduation marks the end of the beginning.

Junior High cheerleaders Kathie Barnes, Lynda Ferguson, Cindy Long, and Suzanne Sundstrom created enthusiasm and spirit necessary for success.

Girls were athletically inclined during their Junior High years. The athletes included: D. Oberg, E. Brodkorb, P. Weber, D. Moses, B. Blackford, S. Kerns, M. Wilson, M. Manning, V. McDonald, L. Ferguson.

Six years of experience, enthusiasm, and determination have led these athletes from county junior high recognition to state recognition in high school. The boys are FIRST ROW: T. Werstler, B. Sunday, T. Witham, W. Hoag, R. Haralson. SECOND ROW: G. Chesnut, M. Fetzek, D. Oberg, B. Hobbs, E. Greeno, T. Fadeew, and J. Reynolds. THIRD ROW: J. Albritton, B. Stiles, D. Boyes, J. Taudte, J. Winstead, R. Noel, and C. Carson.

Twenty faculty members have dedicated six years of hard work, sincere interest, and enthusiasm to Riverview since its beginning in September of 1958. These people are: Seated: D. Cutrell, J. Swallow, S. Conoly, E. Brown, S. Burdine, J. Marani, E. Hoffman. Standing: P. McClure, E. Swope, B. Dietz, H. Putt, K. Shadduck, B. Hendry, A. Haygood, D. Thomas, A. Brown, E. Repulski, T. Murphy, A. Lassiter, and J. Cooper.

ALMA MATER

Hail Riverview! To thee we sing,
Our Alma Mater, let it ring!
In every heart there is a song,
Of pride and spirit, ever strong.
Our hopes, and dreams, our destiny,
Of thee we'll guard the memory.

As we prepare for futures bright,
We know that you have been a light,
To guide our paths along the way,
A light that will not fade away,
A light to which we'll always cling.
Hail Riverview! To thee we sing.
